OBJECTIVE

Passionate B.Tech Information Technology student with proficiency in Java programming and a strong foundation in modern software development. Experienced in building practical solutions through Java, web technologies, and UI/UX design, with a certified specialization in Generative AI. Eager to contribute to real-world projects and grow within a dynamic development environment.

TECHNICAL SKILLS

Programming Languages: Java, Python, C, JavaScript, HTML5, CSS3
Frameworks & SDKs: React.js, Flutter, Flutter SDK
Developer Tools: VS Code, Eclipse IDE, Figma, RPA UiPath
UI/UX Design: Wireframing, Prototyping, Responsive Design

EXPERIENCE

AIML Virtual Intern | EduSkills   April 2025 – June 2025
(Supported by Google for Developers)

- Engineered web and DSA projects to deliver efficient software solutions.
- Mentored peers and fostered a collaborative team environment.
- Collaborated in multidisciplinary teams to solve complex problems.

Smart India Hackathon (SIH 2025) | Participant   September 2025 – October 2025

- Developed "Women Safety Analysis" system using NLP for emergency descriptions.
- Integrated Google Console API and JavaScript for interactive mapping.
- Technologies: HTML, CSS, JavaScript, Google Console API, NLP.

PROJECTS

Ice Cream Shop Billing System

- Architected Java application to automate retail billing and tax calculations.

Leave Application System

- Developed digital platform to automate employee leave request workflows.

Travel App (UI Design)

- Designed an intuitive Figma prototype for destination exploration and itinerary management.

UrbanWood (Furniture E-Commerce)

- Developed a modern furniture shop website designed for seamless online browsing and purchasing.

EDUCATION

- B.Tech (IT) | K.S. Rangasamy College of Technology | 2023 – 2027 | CGPA: 8.05
- HSE | Government Boys Higher Secondary School, Elampillai, Salem | 2022 – 2023 | 85%

CERTIFICATIONS

- **Oracle:** Cloud Infrastructure 2025 Certified Generative AI Professional.
- **IBM:** Cloud Essentials
- **CISCO:** Operating Systems Basics.
